PETITION TO WITHDRAW NOTIFICATION OF ABANDONMENT

The Commissioner of Patents
and Trademarks,
Washington, D.C. 20231,
U. S. A.

Dear Sir:

Petition is hereby made to withdraw the Notification of Abandonment dated May 28, 2002. The Notification of Abandonment apparently arises from an alleged failure to respond to the Notification of Missing Requirements dated March 1, 2001.

The Notification of Missing Requirements dated March 1, 2001, indicated a one month period for response to the Requirement, with an indication that this term was extendible under the provisions of 37 CFR 1.136(a).

On April 30, 2001, there was submitted to the Office, the missing requirements. Enclosed is a copy of that letter and its enclosures. According to the return postcard (copy enclosed), this correspondence was received by the PTO on May 1, 2001.

Accordingly, with the one month extension under 37 CFR 1.136(a) requested in the April 30th letter, the requirements of the Missing Requirements were met in a timely manner and the application was not abandoned.

Accordingly, withdrawal of the Notification of Abandonment is appropriate.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "M.I. Stewart", written over a horizontal line.
